->>> [DOWNLOAD BOOK Endgame: Invincible Series Book 7](#)

More than one member of the London underworld is targeting a crime family that is showing some vulnerability. The Shakespeare firm from Woolwich, have already made a successful strike against them, and the Ross firm from Canning Town, are preparing to mount an attack of their own. After suffering heavy losses there are only two family members left, but they are not ready to give up just yet They have scores to settle, before deciding whether to walk away for good. It needs to be a mutual decision, but one of them was born into the lifestyle, and may find the ties to gangland too strong to break.
